Both the Boys and Girls program coordinators are reviewing options for the Fall. There will be a boys instructional program from September through November.

Lacrosse Festival

This year's festival was a success but for some issues with the food, which the board is reviewing different options for next year.

Roundtable Discussion:

Mike Cross raised the summer programs and asked if the board would consider adding more organization and structure around the program so all kids have an opportunity to participate. The board discussed this issue and agreed further review was necessary and will be discussed at future meetings.

The next PCLI meeting will be held in September at the Spiegel Center.
