### **Roundtable**

PCLI has rented a storage unit at Pickle Factory for storage of equipment, tents, etc. We need to inventory all existing equipment and identify what is needed for future.

Also discussed ideas about how to increase player numbers and ways to reach out to new players to generate more interest in lacrosse. Looking for potential access to students at elementary/middle school levels to generate interest.

The next PCLI meeting will be held in November at the Spiegel Center.

Meeting adjourned at 8:50 pm.

Respectfully submitted,
