Donovan Lopez Presentation:

Need for more quality coaches for the girls program across all levels. Would like to see three coaches per team if possible for RALL teams. Parent involvement needs to be increased to generate ownership in the program

Raised concerns about overall numbers at the 1st grade to 4th grade levels. Would like to see 60+ girls enrolled at every grade level. Possibly run a free clinic in the spring run by coach Lopez to generate more interest.

Coach Lopez is willing to call parents to discuss involvement and recruit coaches. Patty Weiner to help identify possible coaching candidates.
