Spring

*We will NOT play in RALL. We will schedule games against other towns similar to what boys are doing.

*We will have a K-only program.

*For 3/4 and 5/6 we will have evaluations conducted by Donovan Lopez and his staff. Based on the evaluations, we will create teams and schedule games against towns with teams of similar skill level.

*All teams except for K will play in Cinco de Laxo. 1/2 will also play in Muddy's Buddies. Not sure if other teams will play in any other tournaments. Depends on number of games we schedule.

*We are getting new uniforms from Recognition Experts. Mike Camarella working on this. Will have uniform try-on sizing session first Sunday of spring session.

Summer

*Expect to have summer for 1-2. Not sure about other grades yet – depends on coaches.
