Chazy Youth Hockey will be sponsoring a Spring Hockey League from March 1 to April 7, 2010. The goal of the league is to bring together hockey players, both boys & girls, from throughout the region to enjoy the game of hockey and promote team play. Teams will be chosen by the coaches and divided evenly based on age & ability.

Registration is on a first come, first serve basis.

Based on birth year divisions will be:

Mini-Mite (2003 & Under) **Mite** (2001, 2002, 2003),

There will be a maximum of 12 players per team.

Please indicate the desired level of play on the signup form.

We will try to accommodate play-up requests as much as possible.

All divisions will be mixed gender and will be non-checking.

Teams will play a total of 8-10 games over the 6 week period.

All players must be registered with USA Hockey, please advise us if your child is not currently registered through another organization.

All games will be played at Scotts' Memorial Rink in Chazy.

We will try to accommodate ride requests as much as possible, but can not guarantee all placements that are requested.

Preference will be given to those traveling the furthest.

Mini-Mites will all play the same night and play cross-ice games.

You can not play on more than 1 team or level UNLESS you register and pay for 2 teams or levels, but you are welcome to do so.

League fee, which includes a team jersey and 8-10 games, will be \$75.00 per player for Mite to Midget, \$50 for Mini-Mites. Fee is due with registration.
