1. All Dixie Softball rules will apply with the following exceptions and notations.

3. Each game shall have a 1 hr. and 30 minute time limit. No inning is started after this time limit has elapsed from the start of the game. No new inning will be started after 9:30 p.m. Monday – Thursday. Tie games and incomplete games will stop at end of next complete inning and will be made up at a later date if necessary.

If a team has (8 or 9) players instead of the required (10) to play a scheduled game, the (8 or 9) player team may borrow a player(s) from the opposing team's non starting lineup to fill its required roster. If the (8 or 9) player teams 9th or 10th player arrives the borrowed player(s) will return to her team. The borrowed player(s) must still play her required 2 innings or the remainder of the game for her original team.
8. Games shortened by reason of curfew, or acts of God before they have become regulation games shall be resumed at the point of termination. If both teams have batted four times or in the case of home team leading after three and a half innings, the game shall be considered a regulation game and will not be resumed.
9. All players on every team must play at least two (2) complete innings (6 outs) on defense. All players shall meet the requirements of this rule by the end of the 4th inning. A coach may be suspended by not complying with the player participation rule. Exception: Does not apply if game does not go four complete innings.
10. Free substitution – the local league allows for defensive changes to the line-up only. Players can be substituted into the defensive line-up at the beginning of each new inning. Free substitution rule does not change or override any existing pitching rules.

At the start of the game all players on each team roster will be listed in the starting offensive lineup and bat in this order the entire game. If a player arrives late they will be placed at the bottom of the offensive lineup.
