

# Bluffton Youth Sports

## Tournament Rules

1. Dixie Youth regular season and local league rules apply, with the following exceptions.
2. In the event three teams have one loss at the end of the tournament, thus making the brackets no longer applicable, the team with the fewest number of tournament games will be in the semifinal. A coin toss will be used to identify which other team plays in the semi-final and which team goes directly to the championship game.
3. No tie games.
4. Games prematurely ended by inclement weather, curfew, or field conditions will be postponed and completed. Exception: if both coaches agree to conclude a game affected by inclement weather or curfew and they agree on the current score, the game can be concluded.
5. Bluffton Youth Sports Board of Directors has final authority. Coin tosses may be used at the discretion of the board in an effort to expedite the tournament.
