

## March 2009

Hello Parents,

My name is Paul Walter and I'm President of Framingham Youth Lacrosse. Thank you to all that were able to make it to registration. Although it may seem quiet to you over the next couple of months, we are busy at work preparing for the 2009 season (which runs from mid March through mid June). I want to assure you that you can always contact me with your questions and concerns ([framinghamyouthlacrosse@gmail.com](mailto:framinghamyouthlacrosse@gmail.com)).

Although we are still reconciling the applications, it appears to have been a successful registration. We do have open spots on the Girls' U11 and Boys Development teams. If you know of players or have siblings that are interested in those teams please encourage them to contact us ([framinghamyouthlacrosse@gmail.com](mailto:framinghamyouthlacrosse@gmail.com)). If players are interested in the other levels it will depend on the current roster size. Please visit the Registration section of our web site for more information.

For those that are new to lacrosse and have not purchased the necessary equipment, please note: It is recommended that you purchase equipment at a store that can help you with appropriate sizing; three stores that FYL members have used in the past are: Brine Sporting Goods in Sudbury; Commonwealth Lacrosse in Framingham, and Natick Outdoor Store in Natick. Typically, Commonwealth Lacrosse holds a sale in December and flyers will be posted on our website. The Natick outdoor store will also have special pricing available and as soon as the details are known it will be made available to FYL members. Any parent interested in participating in an equipment swap, please send me an email ([framinghamyouthlacrosse@gmail.com](mailto:framinghamyouthlacrosse@gmail.com)).

FYL is an all volunteer organization, and there are plenty of volunteer opportunities available; a description of some of the positions is attached. If you would like more details please contact me at [framinghamyouthlacrosse@gmail.com](mailto:framinghamyouthlacrosse@gmail.com). This year we are making a special effort to ensure that all of teams have at least one team parents; if you are interested in this role, please speak with your child's coach once team assignments are made.

In addition to volunteer opportunities, FYL is looking for business sponsorships (to help stabilize registration fees). If you know of a business that may be willing to sponsor Framingham Youth Lacrosse, please contact me at [framinghamyouthlacrosse@gmail.com](mailto:framinghamyouthlacrosse@gmail.com).

Thank you,  
Paul Walter
