

STAMFORD AMERICAN LITTLE LEAGUE- 2010 SEASON

“Proudly Serves the Youth of Stamford for Over Fifty Years”

On behalf of the Board of Directors and most importantly the players of Stamford American Little league, we would like to extend an invitation for you to help us by becoming a sponsor in our league. Stamford American continues to grow and prosper every year. Last year we had 27 teams and anticipate similar numbers, if not more, this year. It is our goal to provide the players with a fun atmosphere where they can learn the virtues of character, courage, loyalty and the rewards of teamwork.

We appreciate your generosity and support and hope that you, your business, family or friends would consider supporting the league for the upcoming 2010 season.
