5.Snack Shop-Again Kathy and Caroline have done so well in the snack shop this year. We have many compliments from visiting schools and parents. We appreciate everything they have done. Some issues brought up

Youth day-confusion with the coupons and lack of youth parent involvement in the snack shop.

Consider starting a check list to make sure everything is turned off in the snack shop. Kathy found the stove left on from the youth on Sunday.

Also discussed selling an item from the snack shop for a cause. For example all money collected from the sale of Gatorade from a particular game would go to a community service cause i.e. Kelly Duggan fund.

6.Discussion about allocation of Scholarship money for summer lacrosse camps. Much of the discussion centered around what is the exact criteria for giving out the scholarships and who would

decide who gets them. It was decided at this point in time to not to allocate funds for scholarships for this year . The group would reconsider if a solid criteria could be developed and more could benefit for the scholarship money.

7. Questions came up from parents regarding if the Netminders would be willing pay for more bus transportation to bring kids back after JV games when both JV and Varsity travel together. This would be something to consider for next season.

8. There has not been any communication about the Lax picnic from the Girls GHS Lax team. It was decided if they had not contacted us by this time we would just let it go for this year. This would be one last thing we would not have to worry about as a club.

9. Youth Sports day through the park and rec. May 22nd. Brian asked George to secure a radar gun and dunk tank. Also a tee shirt give away.

10. Dave and Teri Polastri have researched out our options which were presented to the group. Banquet options included Woodwinds, Bill Millers with La Luna and Knights of Columbus with Larry Santamaria. The group decided on K of C hall with Larry Santamaria. The Hall cost will be \$425 and per person cost of food will be \$15-18 dollars. We will have to do the decorating. The cost would be \$20.00 a person. Diane Hoffman would send out an email invitation.
