Areas of focus for improvement:

Tackling and closing down defenders to make play predictable for midfielders. Alan can work on agility to increase an already high standard of effectiveness in the box. Alan's range of passing can improve, looking to use longer passes when needed.

Areas of strength:

Alan shows composure when finishing and makes runs to allow him chances to score. Alan's all round game is strong and Alan shows a desire to continue to improve. Alan has mastered the skill of heading especially in front on goal.
