

Playing Up Request Form

As a general rule, Victor Travel Basketball does not allow players to “play -up” in a grade division above a players actual grade. The only exception to “playing up” will be those rare instances where a player’s skill level is so advanced that they would clearly dominate the game at their grade level. Board will only consider request if:

- a. The number of players on a team dictates the need for an additional players and
- b. Player requesting to ‘play up’ would not cause someone of the appropriate grade level to be cut from team.
- c. Player who elects to play up cannot play on two teams his/her grade level team and the above grade level team

Any exceptions to this rule must be approved by the Coach Coordinator of the player before being brought to the board for review.
