Dear Sponsor,

Thank you for agreeing to sponsor _____ for our 2016 lacrosse season. Your donation will help pay for uniforms, equipment, game films, and more. All donations are greatly appreciated. You can donate by pledging cents per pound or you can make a personal donation of any denomination. If you choose to make a donation of cents per pound, you will multiply the final bench press weight by the cents pledged to calculate your total donation. For example, if you wanted to donate \$0.10/pound and the final bench press was 200 lbs., you would multiply \$0.10 x 200 = \$20 donation.

*Please make checks payable to **The Lacrosse Club of Montclair**. Go Blue!*

Thank you,

The Lacrosse Club of Montclair
