

2019 Glastonbury Little League

Girls Majors Softball League Division

The Home Run Card

The League continues its ***Field Improvement Fundraising*** to support the continuing refurbishment of fields and building of new fields. ***The Home Run Card*** will be a major fund-raiser for this Fund. Each player will purchase two \$5.00 Cards included in the \$100 registration fee. (early bird \$10 discount for January live registration payment). The player may sell these valuable discount cards and keep the proceeds of the sale. This provides each player the opportunity to participate in the development of facilities which all will enjoy.

Girls Majors League Program: How it works

The Girls Majors Softball League is designed for 10-12 year old players. Some 13 year olds that do not get selected to play juniors softball will be assigned to a major's softball team. 10 year old players who are not selected for the Major League will be assigned to a Minor league team. Assignment to teams is based on player assessments and a selection process... The number of teams and total number of positions available is dependant on the registration level.

Playing Fields

There will be a 14 game schedule played, preceded by two weeks of practices beginning in late March. The season ends at the end of the school year with a town tournament. Two games a week are played, GHS, Addison #2 and Academy fields will be used. Each team will play a couple games against District 7 Little League teams, i.e. Wethersfield, Newington, Rocky Hill.....

Important Girls Majors League Playing Rules

In an effort to provide a beneficial softball experience to all Girl Major League players, the following playing rules are in effect. Players, parents and coaches are urged to take note of the following:

- 1. No player shall play one inning more than any other player in a game. Please advise your coach if you are going to miss a game as this rule requires pre-game planning***
- 2. All players are placed in the batting order regardless of whether they are playing a defensive position***
- 3. No player shall sit on the bench for consecutive innings.***
- 4. The batting order will be set for the season. Players will move up one batting order position with every game with the lead off batter batting last in the next game. This progression continues even when a player may be absent for a game.***
- 5. Every player shall play at least one defensive inning (3 outs) at an infield position. The Pitcher and Catcher positions shall be considered infield positions.***
- 6. Adult coaches are not allowed on the field during the course of the games***

Girls Major League Age Defined

A Girls Major League softball player's age is defined by that player's age as of **December 31, 2018**
