

**FRAMINGHAM GIRLS FASTPITCH SOFTBALL**

**PO BOX 5051, FRAMINGHAM, MA 01701**

Hello Neighbor!

Framingham Girls FastPitch Softball (FGFS) is a youth recreational softball program that provides the young girls of Framingham with the opportunity to play softball. Our program is all about having fun and enjoying the game of softball, while still developing softball skills, sportsmanship, and good health.

As a Non-Profit organization we rely completely on registration fees, sponsorships, and donations from local vendors like you to keep our league alive and growing. Contributions made to FGFS will specifically go towards providing each team with uniforms, new equipment, and umpires, along with many daily items to keep the program moving forward.

This coming season we will be looking into field, concession stand improvements, and additional equipment, also we will continue our association with Frozen Ropes in Natick, MA for our clinics. All of these are going to be extensive and expensive endeavors, but we are confident in our community and know that with your help we can give our girls what every 'little leaguer' deserves – the very best in fields, equipment and developmental opportunities.

We will need "gold sponsors" for all teams in all age levels for our Spring in-town league and our Summer Travel teams. There are five divisions to accommodate our growth: Senior, Junior A, Junior B, Intermediate and Instructional, which means we will have close to thirty teams this Spring season and five Summer travel teams! One of our new sponsor options that we are very excited about is our new Website advertising banner. Please visit our new website to review: [www.framinghamsoftball.org](http://www.framinghamsoftball.org). We will still have our removable field signs that measures 4' X 5' that will be placed on the outfield fences at the Walsh/Dunning Complex for the entire length of the spring and summer seasons (April thru July).

We hope we can count on your sponsorship for the coming season to help us achieve our goals. Team sponsorship opportunities and pricing options are listed on the Sponsorship Form attached to this letter. Simply fill out the form and send it along with a check to FGFS by February 1, 2013. If you have any questions please contact us by email at: [fgfswb@yahoo.com](mailto:fgfswb@yahoo.com)

The coaches, parents, board members and especially the players appreciate your support.

Thank you

Robert Downing  
FGFS President & the Board of Directors
