If you are unable to pay the full amount of SPRING tuition then it is mandatory that you fill out the following application and submit it with your completed registration form and adjusted payment. We ask that you accurately determine what level of help you need by checking the appropriate box below. Upon receipt of your application and payment, our committee will review your application and respond back to you regarding your request and how to move forward.

Please check one of the following options and then supply us with a brief description as to why aid is needed:

- I request a 50% discount to help me pay the spring tuition
- I request a one time payment of \$50/per player for spring tuition
- Other (please fill in amount) \$ \_\_\_\_\_
- I request to make payments over time to pay the spring tuition\*

\*Payments can be made via a payment plan by paying 25% of the tuition prior to registration and then the remaining 75% can be paid in increments but must be fully paid by the first team practice.
