

## **ASA Look Back Rule**

The ASA “Look Back Rule” applies.

When a batter gets a hit, play is live until the pitcher has possession of the ball in the eight foot radius around the pitchers mound.

Once possession is made, all runners may only stop once, but then must immediately return to the base or advance to the next base.

Failure to immediately return nonstop to the base or proceed to the next base will result in a runner being called out.

Once a runner stops at a base for any reason they will be declared out if they leave that base.

Exception: The runner will not be declared out if a play is made on her or another runner. (A fake throw is considered a play)
