

WHEN YOUR LITTLE LEAGUE DAYS ARE DONE,  
IT IS TIME TO STEP UP TO THE BIG DIAMOND.

AND McLEAN/GREAT FALLS BABE RUTH IS THE  
ONE AND ONLY PROVEN PROVING GROUND.

In the last four years, Babe Ruth teams have gone on to win 16 District titles, 5 State Titles, 3 Regional Titles, and 2 Visits to the World Series. McLean Babe Ruth is where McLean High School's head coach John Thomas played baseball; where Mike Wheat played baseball; where Double-A (Chicago Cubs) pitcher Matt Avery played baseball; where Detroit Tiger prospect Jay Sborz played baseball. It's where major leaguer Seth Gressinger played baseball. And it's where dozens upon dozens of college players got their cleats dirty.

McLean Great Falls Baseball is your community league, has been for over 50 years. You play your games on fields created by our league: Nike, Lewinsville, Pimmitt, as well as MHS and LHS.

Virtually every player on McLean and Langley's varsity teams this year are graduates of our Babe Ruth Program. And that has been true for five decades.

Come learn how to play on the big diamond in McLean/Great Falls Babe Ruth Baseball, the league designed for your community and you.
