2nd Annual Chargers Golf Outing- The 2nd annual Charger Golf Outing will be held at The Jackal Golf Club on August 22nd. **This is our biggest fundraiser** and the success depends on the entire Chargers family. Please consider golfing, sponsoring a hole, or a golf cart, We are also looking for prizes to raffle off or to use in the silent auction. If you have anything or know of someone who might be willing to donate gift certificate, services, tickets etc... Please contact Christi Blackburn at cblackburn916@comcast.net
On August 22nd registration will start at 11:00 with a shotgun start at 12:00. Cost is \$75.00 per person, which includes 18 holes of golf with a cart, a hot dog lunch at the turn, and a casual dinner in the banquet hall. There will be additional activities like beat the Pro, closest to the pin, longest drive, and a 50/50 raffle. We are looking forward to another exciting and successful golf outing with as many Chargers families as possible participating.

Volunteering- Every family is required to volunteer to help with 3 games. It takes participation from every family to make this team a success. Volunteer positions are filling up fast so contact Karen Koshen at klkffk@comcast.net or Renee Bates to sign up. Any family that has not signed up for 3 volunteer positions after August 14th will be assigned to whatever positions are still available.

Food Drive- The Chargers, Braves, and the Gators have entered into a food drive battle to see which team can collect the most food for the Hospitality House during the 2009 football season. The Hospitality House is a food pantry located right here in Walled Lake which serves the residents of our community. During the month of June, the Hospitality House gave away 35,730 pounds of food to 656 families, which included 590 children in our community. Let's show the Braves and the Gators what the Chargers are made of and show the community what big hearts we have. Start collecting canned and boxed foods and bring to the practice fields beginning on August 10. Let's beat the Braves and the Gators on the field and off the field as well! This is a great opportunity for the Chargers families to give back and help those who are in need and going through tough financial times in our own backyard.

**Countdown
To Kickoff!!!**
