Sponsorship Program

Central Park Bulldogs would like to thank you for sponsoring our football and cheerleading program. We always have a need for new equipment for players and cheerleaders. We appreciate your support. This season we are purchasing new shoulder pads and helmets and new practice equipment. We are also trying to raise money to build a field house at our new football field. Your support also allows us to accept children through a scholarship program that are otherwise unable to play.

We will hang your company banner on the fence surrounding the football field for the entire season. We also post our sponsors on our website www.centralparkbulldogs.com for the entire year.

\$300 for one season (\$250 if you provide your own banner)

\$500 for two seasons (\$450 if you provide your own banner)

Thank you so much for supporting the Bulldogs!
