**WHAT COACHES ARE SAYING ABOUT NATIONAL OFFENSIVE FOOTBALL CAMPS**

"There is no question that one of the main reasons for the success of the Escalon Cougars is our annual participation in the National Offensive Football Camp. The individual and team instruction by an excellent group of college coaches puts us miles ahead of our opponents as we enter the season."  
*Mark Lourtiero, Head Coach,*

"The National Offensive Football Camp is the finest camp of its kind that our players have ever attended in my 34 years of high school coaching. Individual technique work, small group drills, team repetition, and staff clinics, all in a controlled setting, make for an excellent learning situation that has tremendous carry-over value for both players and coaches."  
*Don Smoilyn, Head Coach*  
*Lanape Valley Regional HS (Saratoga, NY)*

"I have found the coaching staff of the National Offensive Football Camp to be exceptional in their ability to communicate their expertise and motivate young athletes. Daily coaching clinics have helped our staff to be on the cutting edge with regards to our offensive approach to the game. I feel strongly that this football camp is the best one of its kind in the country and will improve any team's productivity in the first year of camp attendance. Since going to the camp for the past 13 years, the Slaters' Union Huskies have had seven undefeated regular seasons and four 12-0 seasons."  
*Scott Turner, Head Coach*

"I know that our participation in the National Offensive Football Camp has played a big part in the success of the St. Joseph HS Wildcats. The camp provides our players with the opportunity to be taught by some of the best coaches in the country. Their expertise and skill, combined with competition and hard work make for a perfect environment to fine tune our program. We have found this camp to be beneficial at all levels of our program, from freshman thru senior year. I would strongly recommend this camp to any coach who wants to improve his team's proficiency, skill and performance."  
*Paul Sacco, Head Coach*
