

A Memo from the Coach

June 23, 2009

Attention: All Avon Grove High School, Fred S. Engle Middle School, BVM, and contact age Wildcat football players and your coaches.

Re: ESC Football Camps July 13th, 14th, 15th

Dear All,

It is with great pleasure that I'm able to announce, that for the first time we will be hosting a top of the line, action packed, intense 3 day football camp right here in our own back yard at Avon Grove High School! Gregg Perry, well regarded offensive line coach from the University of Delaware, along with his experienced staff will be on hand to train our kids and work with our coaches teaching the intricacies of the Wing-T offense. Gregg has been conducting football camps all over the country for the past 25 years and we couldn't be more excited about this opportunity.

High School Players! Up until now our boys have traveled many miles to attend camps of this quality. Now, instead of driving 45 minutes (or more) a day or leaving them overnight in a dorm our boys can be home at night getting ready for the next day sessions. And with this camp, they will need all the rest they can get! This camp will specialize in the very offense we will run during the season, and they'll have the opportunity to learn from some of the best! You will also find the cost of the camp is far lower than any other camp of this caliber. I urge you to visit the website at www.offensivecamps.com for testimonials and details.

Not Just for High School Players! I urge all of you young, "up and comers" to join me, my staff, and my players for three great days of football instruction. You are the future of Avon Grove Football and I would love to see all of you working hard preparing for the season ahead.

Not just for the kids! Gregg and his staff have invited the coaches of all of our teams to join them on the field over the three days. This working class room will benefit all of us as we gain insight to the techniques used by college coaches to teach and motivate players to their maximum potential. This will also be a great time for all of our staffs to meet and trade stories. I, along with my staff look forward to meeting you and hope that you'll take advantage of this great opportunity!

We understand this notice is late coming to you. Details and approvals were just recently finalized at the district a little over a week ago. Football has never had a camp at our school and with anything new there were hurdles and hoops to jump through. We are beyond that now and our focus is on assisting Gregg and his staff to making this the best camp ever. Our goal is to make this a yearly event, building relationships so we can continue to give our kids opportunities to better themselves without costing an arm and a leg and staying close to home. Help build the relationship by attending our camp in July. Hope to see you there!

Coach Dooley
