## House Program Incentives

### Operational Staff:

Volunteers are always needed for the Operational Staff, and specific duties are outlined in separate documents. Spencerport Soccer Club will offer up to 2 free House registrations for returning House Staff members, and our standard discounted rates will apply for more than 2 children. New Staff members will register and pay for their children to play, and will receive a refund post season for their children's registration fees based on their performance during the season, to be determined by the Management staff.

All Tykes Academy registrations must be paid.

### Coach/Assistant Coach:

Volunteers are always needed for the Coaching Staff, and specific duties are outlined in our Coaches Handbook. There are adults with different skill levels volunteering to coach every year. In order to provide the best for the children, the Club would like to see applicants for Head Coach be USSF "E" certified at a minimum, so we highly encourage adults to participate in the many training programs available, both Club sponsored, as well as those conducted by the New York State West Youth Soccer Association. Courses are conducted at different locations around the state. They include youth modules, goalkeeper and intermediate courses, as well as "E", "D" & "C" licensing programs. More information regarding the scheduling and location of these courses can be found by linking to the NYSWYSA site from our Club webpage, or visiting them directly at [www.nyswysa.org](http://www.nyswysa.org).

The incentive program for coaches is as follows:

1. All registration fees for NYSWYSA coaching seminars will be refunded once proof of course completion has been provided.
2. Head Coaches will receive a voucher in the amount of 1 player registration fee, to do with whatever is desired. For example, 1 child may play for free. Or, the Coach may use these funds for Team expenses. These funds will be provided post season, once the job has been completed and all equipment has been turned in.

The Staff looks forward to working with all parents interested in participating in the upcoming season.
