Tournament Update

4 outstanding teams that are not yet represented for the tourney

Friday the 23rd is the 1st meeting for tourney committee

Tents

Idea of the tents other than for shade was the thought of fund raising with banners that could be attached to each team's tent

Also, the tents w/the SSC would look prestigious on the field and show the vendors that support us

Advertisers that have been acquired would/could be posted on SSC web-site so the vendors won't be overly solicited

Tents are 10x10 easy ups for \$75 and approx. \$60-\$70 for the SSC Logo to be put on plus shipping

Vote taken

Majority voted yes for the tent purchase

Dave Cantabene

Cases of ice packs and a first aid kit available tonight for the coaches who are here to take home

Soccer balls are ready to be ordered just looking for a good quality ball that will last us the season
