6. Click on the Personal tab just under the player's Picture icon, and enter your rating in the box labeled Rating. Please take the time to enter a value, from 1-4 (whole numbers only), for each of your players. Make sure to rate each player according to their OWN abilities...NOT in comparison to the rest of your team.

1=beginner; just developing & learning

2=average abilities for their age

3=above average abilities; showing some specific soccer skills and/or knowledge of the game

4=exceptional player - demonstrates several skills & excellent knowledge of the game
