

Spencerport Soccer Club Board Minutes - 11/8/15

Meeting began 7:10

Attendees: Brian Magin, Dave Gnage, Chris Hutton, Pam Whitcomb, Bryan Coe, Joe Fagnoli

Canal Cup – conflicting with Chili tournament. June 3-5. Chili moved the date due to Memorial Day weekend, if we moved ours it would conflict with Hilton & Webster. It was voted to keep our date as is for this year.

Brian – Working on possibilities for building an indoor/outdoor facility vs renting from MCC & TSE

Dave Cantabene - Spencerport Schools wants Spencerport Soccer Club to line Munn & Taylor fields. Do we still own lining machine? Brian to email Dave

Indoor Season Kickoff – Goalie training had a poor turn out for older players. Brian to email managers to get the word out. 11/14 younger players will train, 11/21 older players, 11/28 Etsler conducting coaches training?

New Treasurer introductions at next meeting (11/15). Brian met with Mario, he is now added to the bank account. Talk about possibly moving it to a credit union.

Mike Milburn was voted in as treasurer, all were in favor of the vote. All in favor of giving him access to the bank account.

Pam – website update, every 2 years the website can be updated free of charge. Post card mailings can be sent to potential players. 321 players are registered, 3 not registered, 3 hardships so far this year, possibly 2 more, several were granted reduced fees.

Uniforms mailed out? To be shipped on Monday? Should arrive before Christmas. Parents will need to sign code of conduct before uniform is given to player.

Coach Aaron Dobson – requested money reimbursement as a coach to use for tournament fees since he doesn't have a child on the team. Spencerport will write the check directly to the tournament. Information was given that this will be the only season this will occur, as he wasn't aware of the rules. Next year his fee can be given to a hardship case on his team.
