February 2014

2014 CCYBS Triple A & the Majors Division Bat Policy

The CCYBS board has officially adopted the Cal Ripken bat policy for the Majors & Triple A Divisions of baseball, as previously communicated in January. All baseball bats in the Majors & Triple A Divisions will need to be approved by a CCYBS official prior to use. Please be certain bats purchased meet the following criteria:

- **The bat may not exceed 33" in length**
- **The bat barrel may not exceed 2 ¼**
- **Bats must be clearly marked with Bat Performance Factor (BPF) of 1.15 or less**
- **Wood 2 ¼ barrel bats are approved**

****No exceptions will be made to the bat policy.***

All approved bats that meet the above policy will be required to have the following sticker placed on the player's bat to be eligible for use this spring:

(Not to scale)

To have a player's bat evaluated, please bring the bat to the Triple A or the Majors Division evaluations program taking place in March.
