Practice schedule for the summer:

Starting June 7th--Fridays 9 am to 12 pm, at the turf field.

Fall Practices will also be Fridays from 4:30 to 5:30. Practice may go longer if we need more time.

We will be in two Parades this year, the Superior 4th of July parade and the Louisville Parade of Lights.

Any parent that wants to work with the girls in any way must fill out and pass a background check before any contact with the group. These checks are done annually.

Examples of “working” with the group include:

Helping with crafts, brainstorming for ideas in a group, hosting a sleepover, having the end of the year party at your home, working with stunts, running the concessions stand/bake sale, giving rides home, helping with uniforms, etc. If you are interested in helping—please fill out and return a background check as soon as possible! Thank you so much!
