## Peshtigo Youth Baseball *Concession Stand Sponsorship Program*

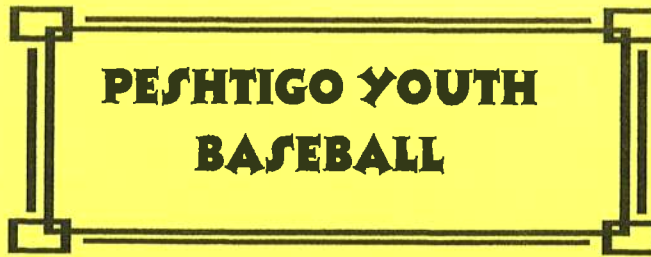

*"Building the  
future of youth  
baseball, one brick at  
a time"*

**Peshtigo Youth Baseball, Inc.** will now be playing baseball at the third field located by Faith Baptist Church. PYB will be building a new 24x28 concession stand, that will house our restrooms and storage.

**PYB** will be selling 4x8 and 8x12 personalized sponsor bricks to help offset the cost of this new building. PYB will have a much larger concession stand area with more space and updated, modern features. The restrooms will be larger and handicapped accessible. A team equipment storage area will allow more room to store and organize equipment.

**PYB** will not be the only organization that will benefit from this new building. Peshtigo High School Girl's Softball Team and the City of Peshtigo will be able to use the building when playing on the same field.

**PYB** will be selling bricks to families, businesses and organizations to help fund the continuation of improvement in youth baseball in the GREAT City of Peshtigo

4x8 personalized granite bricks will be available for a donation of \$100.00 and up.

8x12 personalized granite bricks will be available for a donation of \$300.00 and up.

Also available will be multiple sponsor 8x12 bricks for a donation of \$40--\$99. Multiple names will be placed on these bricks.

The bricks will be placed on the south facing wall of the concession stand and will be the focal point of the building.

Help us build a permanent and lasting place for the youth, their families, our community and future generations to continue Peshtigo Youth Baseball.

Please consider contributing to the future of Peshtigo Youth Baseball. PYB is a non-profit organization. All donations are tax-deductible!!

**Thank you in advance for deciding to contribute to Peshtigo Youth Baseball!!**
