

**Over the years, our two head coaches, John Ambrefe and Jeremy Worob, have been very fortunate to have coached some of South Florida's most talented hockey players. Both coaches are humbled to have played an important role in the development and advancement of these elite athletes. Many of these players have or are currently advancing their hockey "careers" out of state at various Prep Schools, Junior Programs and Colleges. We're proud to post a list of these players on our website:**
