From the moment you enter The Spa At The Hotel Hershey®, you’ll experience the timeless elegance and charm that connect it directly to the past. You’ll feel the richness of tradition in the design of the spa, which was inspired by High Point Mansion, the home of chocolate magnate Milton S. Hershey and his wife, Catherine. You’ll marvel at the spa’s beautifully colored stain glass windows, polished marble landings, warm pecan paneling, and breathtaking views of The Hotel Hershey® majestic gardens. You’ll also appreciate the meaningful homage to Catherine’s love of roses, from the delicate scent of rose petals in our treatments to the signature yellow rose you’ll see throughout the spa. Every detail in the spa draws on a tradition of excellence and luxury.
EVERYTHING CHOCOLATE

The Spa At The Hotel Hershey, affectionately known as The Chocolate Spa® by our guests, features a variety of chocolate-infused treatments in honor of our rich chocolate history here in Hershey The Sweetest Place On Earth®.

Sink into a frothy Whipped Cocoa Bath™, relax in the warm cocoon of our Chocolate Fondue Wrap, and sip our delicious hot chocolate as you lounge between treatments. Inhale the rich chocolate aromas specifically designed and used at The Chocolate Spa to put a twist on traditional spa treatments such as the Cocoa Facial Experience and the Cocoa Massage.
Essential oil of rose has been used for thousands of years for its exquisite aroma and natural healing powers. Rich in antioxidants, rose oil encourages radiant, healthy skin, which makes it the perfect element for these soothing and uplifting experiences. Restore your skin to petal softness and calm your mind with delicate floral scents as you enjoy treatments like the Rose Garden Anti-Aging Facial and the fragrant Rose Garden Hydrotherapy Bath. Soothe away strain and tension with a Rose Garden Hydrating Body Wrap, and pamper yourself with our Rose Garden Hand & Foot Treatments.
Our Cuban treatments draw from Milton S. Hershey’s connection to Cuba and the plantations and mills there that supplied sugar for his chocolate factory. Breathe in the exotic warmth of jasmine as you luxuriate in a Noche Azul Soak. Refresh your skin and your spirit with a combination of invigorating lime and sugar in the innovative Mojito Sugar Scrub and Mojito Body Wrap. Or, enjoy the full body sweet treat of a Chocolate Sugar Scrub.

Hershey is known for the abundant farmlands that ensure a fresh, quality supply of milk for our chocolate. Milk is also known for its skin softening and soothing properties, as you’ll experience with our hydrating Milk & Honey Soak and pampering Milk & Honey Wrap treatments. The field and flowers of Hershey are also represented in our skin-quenching Herbal Meadows Hydrotherapy and our soothing Hershey Gardens Rose Petal Soak.
The Spa At The Hotel Hershey is perfectly suited for groups, with separate lounge areas for those who enjoy quiet solitude and those who favor more of a social spa experience. We also offer medically-based skin care therapies, men’s services, teen treatments, salon services, complimentary fitness classes, The Oasis spa guest-only lounge and restaurant, and seasonal treatments and packages throughout the year. Reconnect with one another as you rejuvenate—body, mind, and spirit.
“The more beautiful you make something which people can see and use, the more enjoyment they will get out of it.”

**MED SPA SERVICES**

The Spa At The Hotel Hershey™, in partnership with Penn State Hershey Cosmetic Surgery, offers the latest medically-based skin care therapies. Designed to improve the health and beauty of the skin using medically-approved technologies, our medically-based skin care services are performed by a skilled team of health care professionals from Penn State Hershey.

**FEATURED DOCTOR**
Dr. Kurtis Meyer is an Assistant Professor of Surgery at the Penn State Milton S. Hershey Medical Center, in the Division of Plastic Surgery. Currently, his interests involve all aspects of breast reconstructive and cosmetic surgery, facial cosmetic surgery, including dermal fillers, as well as body contouring. His focus is on achieving a balanced aesthetic ideal for all of his patients. Please note: clients may also see other plastic surgeons.

**BOTOTO**
If you are bothered by the development or presence of facial wrinkles, creases, and furrows that result from repeated muscle action, facial rejuvenation by injection may be right for you. The result is a smoother facial surface and a refreshed, more youthful appearance. Botox® can assist with softening frown lines, forehead furrows, and crow’s feet.

**DERMAL FILLERS**
As we age, our skin changes. Over time, the natural volume of youthful skin begins to diminish as folds and wrinkles form. These fillers plump facial creases and add fullness to the lips and cheeks—temporarily restoring a smoother, more youthful-looking appearance. For more information, please call Spa Reservations at 1-877-772-9988.

You’ll find comfort in the fact that the Cosmetic Surgery Department is backed by the full resources of Penn State Hershey, one of the leading teaching and research hospitals in the country. Procedures involve minimal interruption from your daily routine so that you can enjoy all that Hershey has to offer.

For more information on services offered through Penn State Hershey Cosmetic Surgery, please call 717-531-1386 or visit PennStateHershey.org/CosmeticSurgery.
