

Head & Sports Injury Lecture

The Sammamish Club Presents

Dr. Thomas Jinguji

of

Seattle Children's Hospital
Orthopedics & Sports Medicine

Saturday, October 3rd - 3pm

DO YOU KNOW?

- Washington has a tough new sports concussion law?
- The signs of a concussion or brain injury?
- 3.5 million sports related injuries occur in the U.S. every year?
- When your child should or should not return to play?

Join us for this FREE informative talk and learn what you need to know as a parent about head and sports injuries!

Dr. Jinguji, Clinical Assistant Professor of Pediatrics at Seattle Children's Hospital. Department of Orthopedics and Sports Medicine. Board Certified in Pediatrics, Certificate of Added Qualification in Sports Medicine.

This discussion is open to the community but on a space available basis. **RSVP to dawnp@sammamishclub.com today!**
