

# 2018 Season Registration!

Come out and try the *Fastest* Growing Sport in America!

Youth lacrosse participation has more than doubled in the last decade as young athletes are flocking to the fast action, high IQ, non-stop game that is lacrosse. Lacrosse allows players to use their skills from basketball, football, hockey and soccer to have quick success on the field!

Did you know that Lacrosse has a rich history here in Issaquah, with multiple state championships & with over 30 Alumni who have moved on to play at the collegiate or international levels! Our Issaquah Lacrosse Club offers boys lacrosse for Kindergarten through High School.

Registration for the 2018 Spring Season is now **OPEN!**

New Youth Members get **\$100 off** registration fees!

Never played lacrosse yourself?

No worries :), most of our families, have zero lacrosse background and we learn it together as a community! Any ILC parent would be happy to help explain lacrosse or 'lax' and your child will feel great educating you on a sport they will love!
