September 2017

RE: Cash/In-Kind Donations for Amherst Hockey Association Donation for the 2017/2018 season.

To Whom It May Concern:

Amherst Hockey Association (AHA) provides a youth ice hockey program including recreational and competitive programs to approximately 300 families, ages 4 – 18. AHA provides their hockey programs not only to Amherst, but to several surrounding communities including Hadley, Belchertown, Pelham, Ware and Sunderland.

AHA is a non-profit organization completely supported by community and parent volunteers, local fundraising efforts and the local business donations.

In an effort to defray the season ice costs to our families, AHA participates in several fundraising events throughout the season. These include sponsorship opportunities, raffles, silent auctions, concession stands at Amherst College and hosting several regional hockey tournaments.

We would love to have your support in a variety of ways:

- Cash or in-kind/product donations.
- Gift Cards to purchase products to sell at our concession stand.
- Gift Cards to raffle off at various fundraisers and auctions.
- Coupons or discounts to our families and visiting skaters.

We appreciate your generosity to AHA and have enclosed a sponsorship form to help your business to determine how best to support AHA.

Thank you,

Alyssa Mandeville
Treasurer, Amherst Hockey Association
