

VIPERS Lacrosse Club

Request for Non-Profit Club Sponsorship

We invite you to become a Vipers Lacrosse Club Sponsor today.

A contribution of \$100 entitles you to linked inclusion on the popular Vipers Lacrosse website, viperslacrosse.net.

Your company name, logo, contact information and link will be displayed for approximately one year (till Nov. of 2010).

About the Vipers Lacrosse Club

The Vipers were founded in 2005 with one Junior Varsity High School team and have since quickly expanded into several teams, including our first girl's team in 2009. For the 2010 season we anticipate 10 or more boys and girls teams and upwards of 150 players ranging from 2nd grade through High School. As a youth lacrosse club, the Vipers are dedicated to inspiring young players to develop a passion for the game, developing core lacrosse skills and promoting good sportsmanship. We are members of the Northern California Junior Lacrosse Association (NCJLA).

The Vipers Youth Lacrosse Club is an independent, 501c3 non-profit organization based in San Jose, California and not affiliated with any single city or school district.
