

Plymouth Youth Hockey (PYH) is excited to announce that we will be expanding our presence into social media for the 2016-2017 season. PYH recognizes the need to ensure the welfare and safety of all players taking part in any activity associated with our organization. We will not permit photographs, video or other images of players to be taken without the consent of the parents or caregivers. As your child will be taking part in PYH, we would like to ask for your consent to take photographs/videos of events or activities that may contain images of your child. It is likely that these images may be used as:

- a record of the activity or the event
- publicity material for further activities or events on leaflets/websites/magazines
- illustrations of the activities or events in published articles
- future grant applications
- Social Media (Facebook, Twitter, Instagram)

Plymouth Youth Hockey will take all steps to ensure these images are used solely for the purposes they are intended. If you become aware that these images are being used inappropriately, you should inform a PYH Board member immediately.

This consent form will be distributed to all players. Please return this form to your child's head coach or team manager as soon as possible.
