

Dear Friend:

Youth sports activities provide a solid foundation upon which many of the youths in our community acquire the skills necessary to build a lifetime of success. The mission of Plymouth Youth Hockey is to provide quality, affordable instruction while instilling sportsmanship and the value of teamwork in all our players. Plymouth Youth Hockey strives to encourage a sense of community and mutual respect for others while building self-respect and confidence.

Our success has been possible because of the support and generosity of neighbors and friends in our business community. As PYH begins another season of offering a strong, positive and safe environment for over 350 local children, we ask you to consider supporting our program. Our organization is a 501(c)3 so your donation is tax deductible. Like many youth sports programs, we work incredibly hard to keep costs affordable and competitive. Every donation helps provide value to the players and parents within our program and makes PYH more accessible to a greater portion of our community. Our sponsorship information is included below. Please remit the Sponsor Information if you are donating.

If you have any questions regarding our program please do not hesitate to contact Greg Mota at (508) 207-0657.

To our returning sponsors, we thank you for your continued support; and, to our new partners, we welcome you and look forward to having you join our extensive Plymouth Youth Hockey family.

With gratitude,

Greg Mota
