

## Uniform Policy

The parent/guardian agrees to assume responsibility for the uniform loaned to the participant and agree to return the uniform, according to designated dates, in the same good, clean condition as when the participant received the uniform.

Participants will be required to pay a \$100 uniform deposit (check only) at time of uniform distribution. The check will not be deposited or cashed; it will be held by the Equipment Manager for the season. If the participant does not return any part of the uniform on the designated uniform return dates, the check will be cashed as a penalty.
