

Families of Mass Bay Youth Lacrosse League,

If this is the first message you're receiving from us, Welcome! We're thrilled that you're a part of the largest youth lacrosse league in the United States. As our valued members (players, coaches, officials, and families), we will be sending periodic emails with important news and notifications regarding the league. All of our emails will be archived under the "Documents" section of our website. There, you can see any previous messages we sent.

And a vast majority of our communication will come via social media. Please Like us on Facebook, Follow us on Twitter and Instagram, and check out our YouTube Channel for drills, videos, and other content meant to enhance your spring season of TOWN lacrosse.

The purpose of this email is to let you know about three of our partner organizations who are offering some very exciting lacrosse-related opportunities in the near future. While we have many amazing sponsors that are promoted on our website, our Team Apps, our social media accounts, and featured prominently at our annual June Jamboree, we would like to take this brief opportunity to tell you about three of our endorsed organizations.

Check-out these great organizations who are supporting this league as we support the town programs that make up Mass Bay Youth Lacrosse League.

On behalf of the all-volunteer Board of Directors,

Joey Picard, VP Communications, MBYLL

NE Stars Lacrosse

(Please see flier under the Documents section of the webpage)

It is the Stars mission to develop young athletes in a lacrosse environment and present them with an opportunity to train and develop into NEXT LEVEL players. With our highly certified and professional staff, we offer a unique opportunity for our student athletes to maximize skill development along with strength, conditioning and agility. Our passion for this sport is demonstrated by the commitment of the coaches, administrators, parents and most importantly our players on a daily basis on and off the fields. We look forward to welcoming your family into the culture of lacrosse here in New England where our focus is on the four pillars of Stars Lacrosse: Character, Academics, Athletics, and Community.

Our summer offering is a way for players to continue playing lacrosse after their spring season ends. The summer tournament teams will have 8-10 practices and play in 2 tournaments with the option of a 3rd tournament. Summer pricing is \$450 per player & \$300 per goalie. The coaches will focus on skill development and teaching our youth athletes the game in the correct way.

Although many teams have a good number of players we will be adding to rosters to fill out open positions – tryouts will be announced in the spring – you can contact us via our website:
