Caused Turnover

A caused turnover is credited to a player when the player's positive, aggressive action(s) causes a turnover by the opponent. A turnover may not always warrant a caused turnover; however, caused turnovers can only be awarded to an individual player, and only one caused turnover can be awarded for a turnover. There cannot be more caused turnovers than turnovers. Any turnover charged as a team turnover cannot have a corresponding caused-turnover (failure to clear might be a team turnover but might not have a corresponding caused-turnover)

Record the jersey # of the player credited with a shot: (ex. 14, 5, 7, 14, 5, 1, 14, 14)

Post-Game Tally:

Jersey #	Tally	Total
