

How do I link my club's League Athletics account to the NCJLA website?

1. Log into your club's League Athletics website as an Administrator.
2. From the Administrative Features page click on General Settings.

Administrative Features

3. From the Web Site Configuration box, select the "Organization" tab, then select Northern California Junior Lacrosse Association in the "Member of Parent Organization" and finally click the "Submit" button.

The image shows the 'Web Site Configuration' form. The 'Organization' tab is selected. The form contains the following fields:
