

NCJLA Game Scheduling Process - Boys and Girls

Welcome to the 2018 season! The scheduling process for 2018 will kick off on December 9, 2017 at the NCJLA scheduling meeting at the Solano Community College, Vallejo Campus. It is important to not begin any game scheduling until December 9th when conferences have been finalized. Scheduling early may result in unnecessary extra work. The primary goal of the scheduling meeting is for the club schedulers to end their day with 60-70% of their schedules complete with the focus being the completion of conference game scheduling. The scheduling meeting is for youth divisions, though this year high school schedulers may attend as well. The meeting will be held at the following location and times:

Solano Community College, Vallejo Campus
545 Columbus Parkway, Vallejo, CA 94591

Please arrive 15 minutes early to check in.

Schedulers:

1. Please bring the NCJLA Scheduling Appendix to the scheduling meetings. This document contains important black-out dates and division qualifications for end of season events for both the boys and girls divisions.
2. A list of your club's host dates. Do not schedule games unless you have a field for that day.
3. Make sure you have all of your teams' black out dates, scheduling goals, and travel requirements for next season. It's a good idea to bring the 2017 schedule with you as a point of reference.
4. Schedule games on grass fields as late in the season as possible OR have a backup turf field available.
5. Home team inputs all games into the NCJLA website. In the event that you have scheduled a round robin where your club is hosting two other teams, please make sure that one team is designated as "home" and the other as a "Home-visitor". See NCJLA website for instruction on [Entering Game Schedules](#) and [Confirming Game Schedules](#).

6. A password protected list of club schedulers can be found on the NCJLA website under the Club Administrator tab. The NCJLA webmaster will e-mail schedulers a password to use to access the contact information for each team’s scheduler by 12/11/2017.
7. Schedulers will be able to access the game scheduling feature of the NCJLA website by 12/11/17 as well.

Officials Considerations:

- **Boys and Girls Officials Considerations:**
 - Games must be stacked back to back, without any additional time in between games.
 - Keep boys blocks separate from girls blocks, not intermingled.
 - Schedule in blocks of youth vs. high school, best to schedule in blocks of teams close in age level.
 - For example, schedule B12UA, then B14UB, then your G14UA round robin.
 - Don’t schedule 8U games (no officials) in between older teams’ games.
- **Girls Umpire Considerations:**
 - Girls games must be scheduled in a blocked fashion, not necessarily round robins BUT multiple games at each site.
- **For scheduling blocks of games please use the following guide:**

Game Scheduling Time Blocks				
GHS	G14U A and B	G12U A and B	G10U	G8U
1 hr 30 min	1 hr 15 min	1 hr 15 min	1 hr	1 hr
BHS	B14U	B12U	B10U	B8U
