

January 9, 2012

Dear Camp Participant,

Thank you for joining us for this years WAA Winter Baseball Camp. Camp will begin this coming week, January 16, 2012. 13-17 Age Group begins Monday, January 16; 11-12 Age Group begins Tuesday, January 17; and 9-10 Age Group begins Thursday, January 19.

Here are some important tips for our six week use of the facility. Participants may proceed directly into the dome area, providing no one is using it. Parents are invited to watch from the chairs provided around the dome or in the lounge area on the close circuit TV. The temperature in the dome is cool, please dress in sweats and sweat shirt. Bring your glove and bat, no cleats, please.

The facility driveway and parking area is limited, for easy drop-off and pick up you can use the Webster Recreation lot just a few feet behind the dome. Enter from Micheldean Drive. The parking lot will be full on Weekdays as the 4-5 class passes the 5-6 class. Participants in the 5-6 Weekday class should wait in the lounge area until the 4-5 class is dismissed.

The camp runs for six weeks, with a break during February recess week (2/20 - 2/24). Thank you for your attention; I know you will enjoy this opportunity to practice baseball in the winter.

Sincerely,

David N. Eckler
Camp Director
