Treasurers report (Jeff Moccio): \$35,000 in checking \$18,000 in savings. All programs switched to Quickbooks. Registration is trickling in. The NYA travel bill is in.

Director of Ops (Pat McCleary): Registration is coming in. We will send out an e-blast. Still need a few coaches. Sent a note out to coaches. Getting requests to play up. We need to be consistent and set up some rules to process. Need equipment managers and need to go to the shed to take stock of what we have/need. Eval stations will be set up by Rob Farmer and Pat will sit down and take a look at the plan. Meet the team is April 5th. Pinning down umpire/coach clinic. Trying to coordinate events together and turf time. Open for games April 26 & 27. Park & Rec payment remains the same \$20 per Newtown player and \$40 for out of town. Same use of fields. Checking on Sundays at Middle Gate. Looking into temporary fence at Middle School. Would like to set up player clinics with Rob Farmer during the season.

President's Report (Tim Adam): A local non-profit has asked if they could sponsor any girls for a scholarship. The organization REACH Newtown will pay \$200 of their registration fee. Each girl will be responsible for one sponsor and any other sponsors they get can go directly toward their own fees. Still figuring out background checks. Not sure if we put in information or coaches. This process needs to get started. Mark Krasnickas is doing great at heading up sponsorships. Uniforms should be here next week with coaches shirts and hats. Looking into Spirit Wear.

Travel (Jeff Mubarek): Uniforms have been picked out and ordered. Cost is \$90/player. Clinics are running well but we need one make-up due to the one canceled because of weather. Most coaches are now certified but background checks need to be completed for everyone, including scorekeepers. Thinking of moving Victoria from U10 to U12B. Babe Ruth States are in July. Mandatory Head Coach meeting will be March 3rd. Fairfield County meeting is scheduled for March 31st.
