### EXPECTATIONS...

*Because the sales of these cards go towards capital improvements it is important that EVERYONE participates in this fundraiser.*

The league expects every kid to sell at least **6 cards**. Last year the average kid sold 4 cards. However, many kids sold very few and in some cases they didn't sell any. We don't expect everyone to sell the same amount of cards. We understand that everyone comes from different places in life. However, we believe with each player doing his or her part we will have the best year ever.

### IDEAS...

Participation is easy and the Discount Cards should be very easy to sell... purchasers can potentially save hundreds of dollars depending on usage. Here are some ideas to help get you started.

1. Ask one of the vendors on the card for permission to sell the card outside their establishment
2. Ask your local grocery store if you can sell the card outside their establishment (Giant is a sponsor)
3. Door to door, family, and friends
4. You buy them and give them away as gifts
5. Have someone else buy them and give them away as gifts. (Real estate and insurance agents, etc...)
