- The Clinic is a unique opportunity for players of all ages and ability levels to experience lacrosse as our Lions Lacrosse Players do – Head, Heart, Hustle – fast and Fun with Fundamentals, Discipline, and Excitement.
- Our staff consists of alumni, current players, and the Chelmsford High School Lacrosse Staff.
- The Lions Lacrosse Clinic is for players of all levels. Our philosophy is to teach every player the fundamentals of the game and no player is ever out of place. We will work very hard to place players in groups of similar skill level and age. Our goal is teaching the game of lacrosse in a proper and safe manner while having fun.
- Our drills are taken from college and high school practices. Every drill is supervised by a coach. Each player will receive individual instruction of the latest techniques used by college and high school players. All drills are based on basic fundamentals which every player can use directly in their upcoming season to become a better player.
