Partnerships

The Diamonds are working on a partnership with Mizuno and B&H Sports to help provide our teams with uniforms and additional equipment from Mizuno. We are working with Mizuno on special pricing on some uniforms pieces as well as shoes, helmets and other equipment. In Return Mizuno will provide the Diamonds with rebates we can use to outfit our Coaches and thank them for all the time they volunteer. It is a Win – Win situation for everyone involved. Your coaches will be getting more information as we finalize the partnership.

Flip Give

The Diamonds are setting up a [Flip Give](#) Club website which provide cash rebates for online shopping purchases. Families can use the [Flip Give](#) website to do their everyday and Holiday shopping online and earn cash back rewards for the Diamonds. Monies raised will be used to offset team registration fees for Diamonds sponsored events.

Watch your email for more information.

Diamonds Training Center

We are continuing to upgrade the indoor facilities with new pitching machines, new softballs and tees. We are currently working on lighting improvements that will be made over the winter. The Diamonds continually strive to make our facility one of the best privately owned training facilities in the area. Your feedback is always appreciated.

Volunteers Wanted

The Diamonds are looking for volunteers to assist with fundraising efforts for teams and club. In the past, we have done things like Butter Braids, Poker Nights, restaurant nights, etc. Event planners will earn extra benefits applied directly to their player's accounts.
