

Dear Friends and Colleagues:

Rarely does a sport come along that captivates a community the way lacrosse has these past few years. Boys and girls of all ages have embraced it. Because of this surge in demand, the Sycamore Lacrosse Association was created as a 501(c)3 organization to educate and inspire players, parents and the community.

This letter asks for your support of the Sycamore Lacrosse Association.

Lacrosse is a very inclusive sport. Serving hundreds of students from kindergarten through 6th grade, our goal for participants is to learn and apply the fundamentals of lacrosse with age appropriate instruction and progression. We believe in, and encourage, development through participation, learning concepts of team building, and sportsmanship. And for those players who choose to continue playing beyond 6th grade, our programs are integrated with those at Sycamore Junior High and Sycamore High School, providing coaching continuity.

The primary lacrosse season is in the spring, with tournaments and clinics throughout the year.

We are looking forward to involving more of our local business community in this exciting sport as lacrosse continues to grow. We invite you to join us in our efforts. Your contribution will provide access to all children interested in playing, reduce financial barriers for all of our players, and offer scholarships for those players with financial needs.

Members of our board of directors will be following up this letter with a phone call to discuss this opportunity in more detail.

Thank you,

Larry Harte
