Disciplinary Actions for Coaches

Any concern with a coach's behavior must be documented on an RHAA Incident Report and turned into the Commissioner following the incident.

All Incidents Reports will be reviewed by the Executive Committee prior to the next scheduled game for the coach under review.

Any coach found to be in violation of RHAA Rules and Regulations will be subject to a one game suspension upon review of the Executive Committee.

Multiple violations by the same coach will be reviewed by the Executive Committee to determine if further disciplinary actions may be needed, up to and including removal from their coaching positions.

Removal of a coach from their position will require approval by the RHAA Board of Directors.
