- **President's Report (Lentz):** Called Emergency Meeting to discuss the actions taken by the River Valley Football League after informing them that we cannot field 4 teams. The RVFL voted the Burros out of the league based on their new By-Laws which have not yet been voted on or updated. We decided to hire an attorney (Tony Bruonaz) to seek an injunction to remain in the league based on currently published RVFL by-laws. In addition to pursuing an injunction, we will seek other leagues as an option for this season.
